

# HESI Admission Assessment (HESI A2)

## About

The College of Nursing utilizes the **HESI Admission Assessment (HESI A2)** in the application process for the Bachelor of Science in Nursing (BSN) and Master's Entry for the Profession of Nursing (MEPN) professional programs. The College of Nursing only requires four sections of the HESI A2: Math, Reading Comprehension, Vocabulary, and General Knowledge and Grammar.

- **Sections:** Math, Reading Comprehension, Vocabulary and General Knowledge, and Grammar
- **Minimum Score:** must score 75% or higher in the combined score of all four sections
- **Scores Valid:** scores are valid for one year, the highest average score will be used
- **Time Limit:** 4 hours to take the exam
- **Time frame:** No more than one attempt per 45 days is allowed

## Preparation

The examination is designed to be taken without preparation – as a test of general knowledge necessary to be successful in a nursing program. It is designed to be taken while a student is nearing completion of their required Nursing Prerequisite coursework. If you would like to prepare in advance, an examination preparation guide is available for purchase through Elsevier: Evolve or you may access a preparation guide through the UA Health Sciences Libraries, which has several copies on reserve. Elsevier: Evolve also provides test remediation after a first attempt for future test attempts.

## Testing

Testing is only available through two proctoring options: [University of Arizona Testing Center](#) in Tucson, AZ or via any [Prometric Testing](#) site for locations outside Tucson, AZ. To explore Prometric potential test sites, follow the link and click locate. **After setting up an account in the Evolve** (HESI A2 test registration system), please contact your chosen testing site for test proctoring requirements, accommodations, costs, and reservation information.

Individual arrangements may be made **for exceptional situations only** on a per-case exception basis. To take the test at a local college or university, please contact Nursing Admissions for more information at 520.626.3808 or [admissions@uanursing.arizona.edu](mailto:admissions@uanursing.arizona.edu).

## Signing Up through Evolve

The links below will take you directly to the page where you will make an electronic payment for the HESI A2 examination. If you are having any difficulty with the link, just follow the steps below and use the attempt codes listed below. Attempt codes are unique to each institution and testing attempt – students must ensure they are using the correct code so results are reported to the right location. Each attempt requires a different testing code for the Evolve. Please only select the appropriate code based on the number of attempts and do not register for a second attempt until after you have taken the first attempt.

**The following codes are valid for all attempts from June 1, 2016 to February 1, 2017:**
