HUMAN SUBJECTS HELPFUL HINTS

The following information resulted from feedback from the Human Subjects Protection Program (UA IRB) and the College of Nursing Departmental Review Committee and hopefully will be helpful as you complete application form and other documents. Keep checking back for more hints.

Approval Statement:
Include the following statement on recruitment material (flyers, scripts, emails, etc.) and consent documents:

An Institutional Review Board responsible for human subjects’ research at The University of Arizona reviewed this research project and found it to be acceptable, according to applicable state and federal regulations and University policies designed to protect the rights and welfare of participants in research.

The statement may be shortened.

Recruitment of Students and Faculty:
No direct recruitment of students or faculty (cold recruitment).
If specific to a course, contact the Course Chair
For doctoral students, contact Dr. Rosenfeld and/or Dr. Love
For MEPN students, contact Dr. Wanda Larson
For undergraduate students, contact Dr. Melissa Goldsmith
For faculty, contact Division Directors

Appendix F:
Required if using a disclosure form - Complete Section 1 and Section 2B Subpart 2
Required of accessing medical record – Complete Section 2A and Section 3 Section 4 (Signature)

Location of Research:
If doing an online survey, for Other state ‘Online survey to be completed at a location convenient for the participant’
If doing research at Banner, see Guidance for Clinical Research at Banner University Medical Centers
If doing cancer related research or recruiting/collecting data at the University of Arizona Cancer Center, approval from Cancer Center Scientific Research Committee (SRC) is required. Contact Dr. Pasvogel (apasy@email.arizona.edu) for additional information.
